

Joint L. A. and San Diego Trip

Come join SAGA at our Fall outing to Shady Cove Group Camp. The trip will be a joint venture with San Diego SAGA, and offers good food, easy day hikes, and a very beautiful setting with a lot of privacy.

The campsite is located at 7280 feet near Keller Peak, in the San Bernardino National Forest, not far from Running Springs. It is accessible to most campers and trailers. The area is actually located near the top of Snow Valley Ski Resort, which you pass on your way to Big Bear. There are many hikes in the area, or you can visit the unique mountain towns of Big Bear or Lake Arrowhead.

The campsite is surrounded by a canopy of trees, and is situated near the Children's Forest. Hiking is plentiful in the area, so you can participate in a planned hike or just explore the area on your own. The site features running water, tables and accessible parking.

SAGA's camping trips provide a chance to escape the fast pace of the city, and this trip offers beautiful vistas in a portion of Southern California unfamiliar to most non-native Angelinos. The trip will include all meals and beverages, beginning with a Friday evening light meal, and concluding with a Sunday Brunch. The cost remains low: \$90 member or guests. Refund less \$10 cancellation fee through deadline only.

Special arrangements

At the time of this writing, campfires are prohibited in this National Forest, so we may end up with a propane fire pit. While Shady Cove is now open, due to Covid and wildfire concerns, the future is uncertain. Accordingly we will

hold all signups and checks until about three weeks before the trip. If we are forced to cancel the trip, we will return or shred checks at your choice to those that have signed up.

Also, while we don't know what if any restrictions for Covid will be in place then, all registering should understand that masking and social distancing may be required.

The Weekend:

Friday evening: The campsite is ours after 2 P.M. Have dinner on the way up, or bring something with you. We will have cocktails and a light meal waiting for you.

Saturday: Hot coffee and breakfast will be provided. Afterward, you can partake in Day hikes and/or just relax. We'll also set out a lunch, with beer and soda, suitable for packing on a hike or eating later in camp. Late afternoon, the men are usually in the shower freshening up. The evening starts with a festive cocktail party, followed by a full dinner. After dessert, join the group around the campfire (or propane fire pit), or check out the moonlight and stars and...

Sunday: Coffee and juice will be available for early risers. During the morning, relax and enjoy nature. Around 10:00 a Brunch will be served. The site is ours through Noon.

What to Take:

Campsites have running water, pit toilets, tables and benches and lots of tent sites. SAGA provides a temporary Shower stall with hot water on Saturday afternoon. The campsite is spacious and, because it is a group site, it is fairly private.

Necessities: Sleeping bag, coffee mug, foam pad or air mattress (or travel trailer, RV, etc.); towels, comfortable walking shoes, warm clothing, water bottle or canteen for hiking, flashlight and poncho or rain gear.

Desirable: tent, pillow, folding chair, extra shoes and clothing, day pack, insect repellent, hat and camera. Sleeping bags and tents can be rented at many sporting goods stores.

Driving Directions to the camp and a list of campers and their assignments will be e-mailed to all participants just prior to the trip, around September 9, 2021.
